Zug/Pristina/Tirana, August 2024

AP Music Royalties Fund (APMRF) and Folé Publishing (Folé) have jointly acquired the recording rights catalogue of Albanian artist Finem (aka Klejdi Degjoni). This acquisition represents the third catalogue purchase of APMRF in the region and follows APMRF's strategy to further selectively enhance its exposure to an attractive growth market through its regional strategic cooperation with its well established and trusted partner Folé.

Finem is an Albanian born singer and songwriter, active in the music market since 2016. Despite his relatively young age, Finem became one of the best known Albanian artists and has maintained a regular active release schedule since coming to prominence in the Albanian music market. He is best known for his songs "Benzi" and "Ku Je Ti", which both ranked highly in the domestic charts.
